

CHAPTER 133. MUNICIPAL PARKING LOTS

133. MUNICIPAL PARKING LOTS

133.01. Establishment. The words "municipal parking lot" as used in this chapter shall refer to the parking lots or parking structures owned or leased by the City and which are established by resolution of the common council.

133.02. Municipal Parking Lot Rates. A person using municipal parking lot shall pay a fee for the use of said lot as may be established by resolution of the common council.

133.03. Collection of Fees. Fees for parking in any municipal parking lot may be collected by the use of parking meters, a collection box system, or by attendants, or such other method as the common council may direct.

133.04. Violations. No person shall park a vehicle in a municipal parking lot without paying a fee for the use of that lot as required by this chapter. When a hanger tag, window sticker or other form of permit has been issued as proof of payment of the required fee, that tag, sticker or permit must be properly displayed in or on the vehicle. Failure to pay the fee or to display the hanger tag, window sticker or other form of permit is a petty misdemeanor.
